

## COLLEGE & UNIVERSITY TOEFL WAIVERS

### WHAT IS A TOEFL WAIVER?

The ALI has some agreements with local colleges and universities to waive English proficiency test requirements. EAP and Pre-MBA/Pre-Master's program students who meet the requirements below do not have to take TOEFL or IELTS to meet the college or university's English proficiency requirement. Successfully receiving a TOEFL Waiver depends on your level, grades and attendance. Therefore, TOEFL Waivers only become available **after** final grades have been processed by the ALI office at the end of each semester.

### GROSSMONT COLLEGE TOEFL WAIVER FAQs:

- Students must **COMPLETE** Level 105 with a minimum of 3.0 in **EACH** class.
- There is no form to fill out. To receive the waiver, students take their Certificate of Completion and final grade report to Grossmont College.
