

ALI HOUSING INTEREST FORM

Thank you for your interest in ALI Housing! We are currently working on establishing housing options and prices for Fall 2016. If you would like to receive more information about ALI Housing when it is available, please complete the Interest Form below.

IMPORTANT HOUSING INFORMATION

INITIAL PAYMENT/DEPOSIT: An initial \$500 payment is required at the time a housing contract is signed and returned. Without the initial payment, your space will not be reserved. The \$500 initial payment will be applied towards your total housing fee and is non-refundable. Credit card information is also required on the housing contract as a form of deposit and may be used for any housing fees, including, but not limited to the following: unpaid housing cost, lost key or card fees, lost parking remote fees, extensive cleaning fees, and damages to the apartment. More information will be provided on the housing contract.

HOW TO PAY: The total housing fee must be paid in full prior to moving in. Monthly payments are not permitted. The total amount due will be stated on the contract. **NO PAYMENT SHOULD BE MADE** until a housing contract is completed and confirmed.

ROOM REQUESTS: Room requests cannot be guaranteed, but we will do our best to accommodate students according to their first choice. You will have the best chance of receiving housing if you send in your application as early as possible. If you have any room or roommate requests, please send them to alihousing@mail.sdsu.edu.

Our ALI housing fills up very quickly, so **APPLY EARLY!** After the application/interest form is received, your name will be placed on the waiting list until the placement process starts. The ALI Housing Coordinator will contact you when a space is available for you to reserve. If there is no space available in your top two preferences, ALI will notify you and/or your agent and provide other housing options.

For more information and pictures of the options, please visit www.ali.sdsu.edu/housing.

*All prices and options subject to change.
